

## **Summarized Customer Notes**

### **1. Project Team Members**

Jiwoun Kim

Stephanie Ndulue

Pratik Gadhiya

Vishvaben Pradipbhai Shah

### **2. Client Feedback Summary**

1. Establish clear categories for interest groups and add specific topics under each group.
2. Implement a feature to project research interests on a Canadian map for visual representation.
3. Remove the communications page to avoid confusion and merge relevant content into other sections.
4. Utilize the Canada map to display member locations, enhancing it with interactive features.
